Spatial Bottlenecks: Foot Over Bridges & Escalators

Vertical Movement

Concept: Forced-perspective engagement. Sequential stair-riser wraps form a complete corporate image from the bottom.

Horizontal Movement

Concept: 5 overhead steel-truss arteries bridging the tracks. 100% captive viewership for slow-walking passengers with luggage.

ESCALATOR & BRIDGE BRANDING OPPORTUNITIES

Premium Asset Spotlight: Foot Over Bridges & Escalators

Staircase Media Zone: Sequential Riser Storytelling, Side Panel Series

The Choke Points: 5 Foot Over Bridges (4 equipped with escalators) capture 100% of cross-platform traffic.

360° Immersion: Options include overhead tunnel wraps, side panel series, and sequential stair riser storytelling.

Pillar Network: 60–100 wide masonry arches and pillars across the station allow for repeated, wrap-around visual frequency.

The Smart Station: Digital & Experiential Media

Digital Signage Networks

- Strategic placement of 20x10 ft Main LEDs and 8x5 ft Indoor screens.
- Future-proof programmatic loop advertising (PKR 300K - 1.2M/month).

Wi-Fi & App Integration

- Captive portal sponsorships turning 2 hours of free Wi-Fi into direct lead generation.
- StormFiber/PTCL style login branding (PKR 500K - 1M/month).

Interactive Kiosks

- QR engagement systems bridging physical transit with digital commerce.
